

# GippsTech Directions

## Overall approach:

Point your favourite navigation tool/s to Federation University Australia, Churchill.

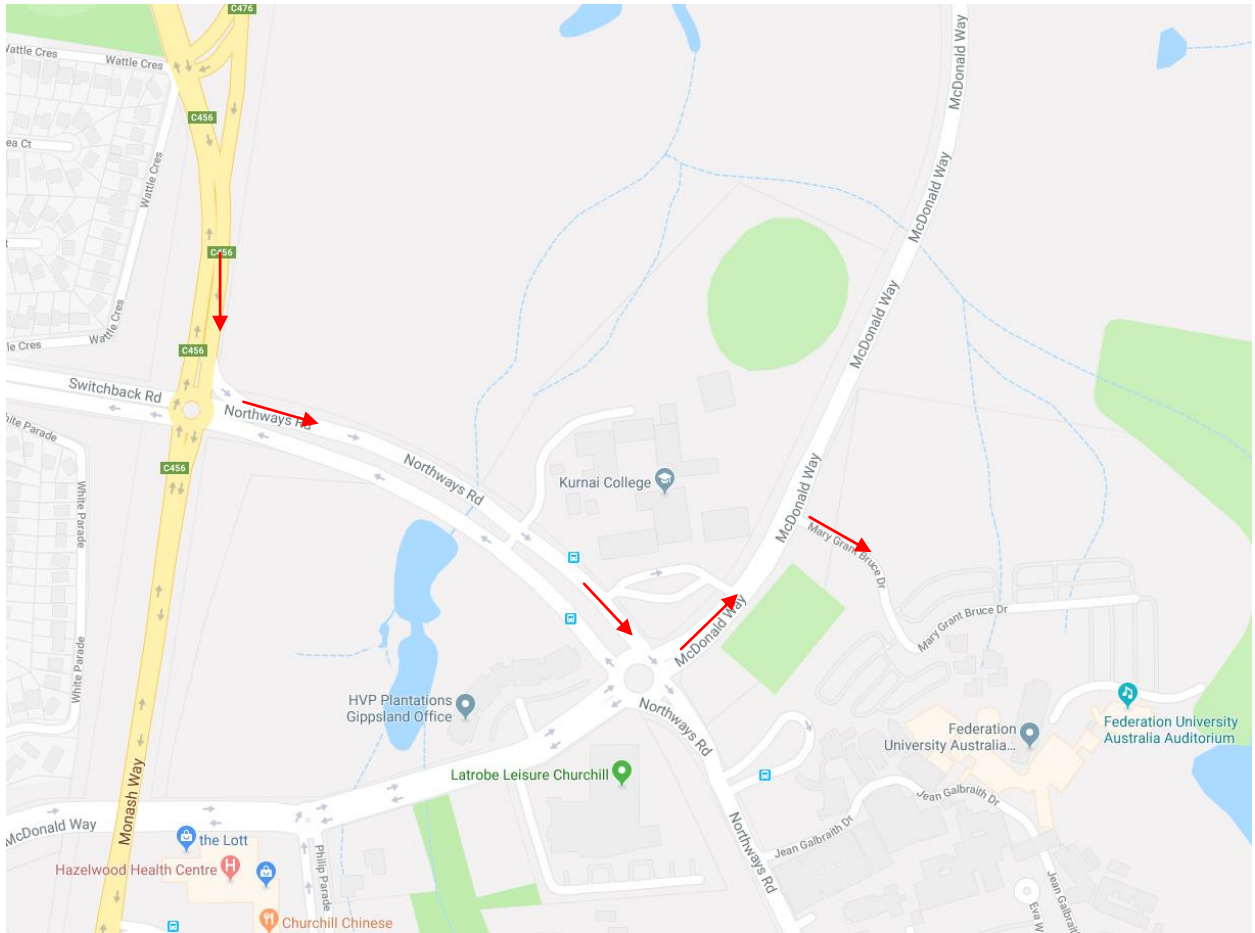

If you have accommodation in Morwell, take the Morwell Exit.

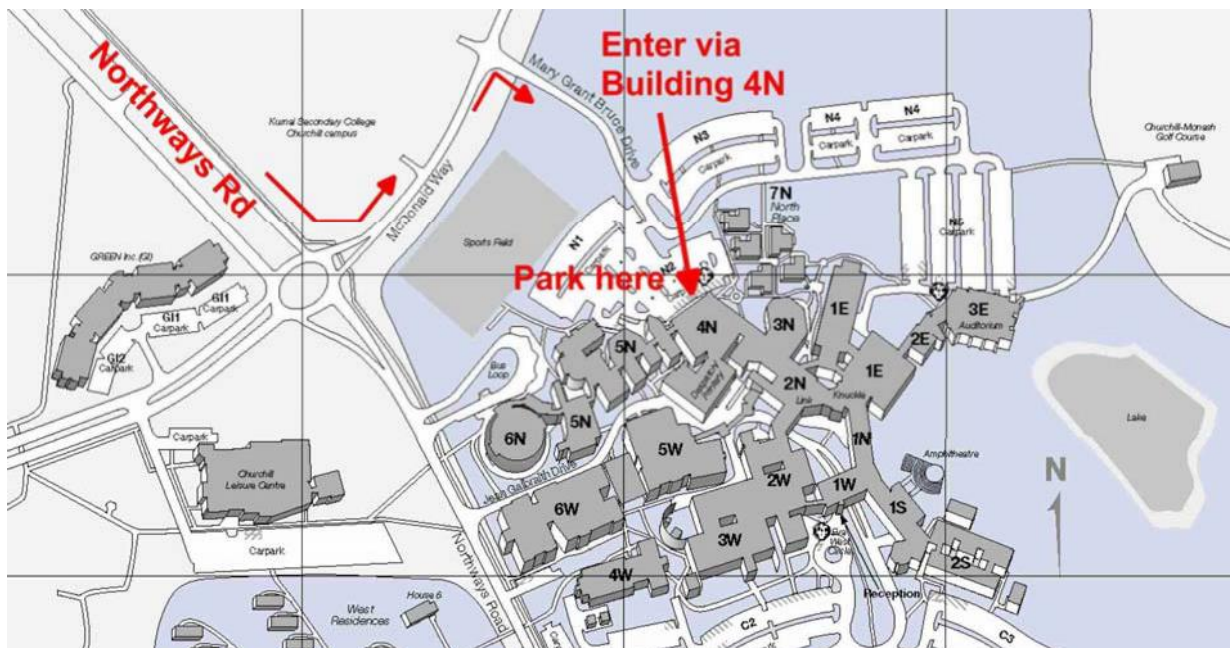

If proceeding to Churchill from Morwell direction, you will need to **Turn south** at the corner of **Monash Way**. Look for the **McDonald's store**.

If proceeding direct to Churchill, stay on the Morwell bypass / Princes Highway and watch for the **Monash Way** exit. Take the exit and then turn right at the traffic lights.

Travel approx. 9 km south to Churchill. Watch for the GippsTech signs and follow the signs to Federation University campus by turning Left into Northways Road – at the roundabout - just after the pedestrian crossing.

Turn left into McDonald Way, then Right into Mary Grant Bruce Drive, then right into the car park.
